I agree to serve in the position of Volunteer Staff Member together with such other duties as may be assigned by the camp director, for Cub Scout Day Camp, during the dates shown above.

I further agree to serve as a volunteer, in a manner consistent with the Cub Scout Promise and the Law of the Pack, and national standards for Cub Scout day camping. I also agree to the terms below.

The scope of the staff member's interest should be larger than the particular job. The position assigned, while being the staff member's chief duty, is only a part of the member's interest and responsibilities. The carrying out of the entire objective and program of the camp and the Boy Scouts of America is expected of the staff member and he or she will be expected to participate in all the camp's activities and endeavors.

Staff t-shirts may be provided, and staff members will be required to wear the official camp uniform, as prescribed by the camp directors. The staff member will wear the uniform while on duty. Neatness and cleanliness in person and living quarters is a fundamental obligation.

A staff member's personal conduct both in and out of camp that may interfere with camp morale or undesirably influence the opinion of the camp's neighbors renders the staff member useless for further staff service.

All cars are to be parked in the designated parking lot and to be left there while staff members are in the camps.

A health history proving satisfactory physical condition is required before arrival at camp.
